

Bedroom Accommodation at Heartspring Retreats 2021

Our Retreat accommodation is all in 2 different houses in Bigbury-on-Sea that overlook the glorious bay. Either the **Garden House** which has 5 bedrooms, or the **Cosy Cottage** which has 4 bedrooms

Each individual retreat is based entirely in just one house, so you will be with all the other participants on that retreat, but will have your own bedroom unless you have asked to share with a partner or friend. Most rooms have their own assigned bathroom (with shower or bath). If the room does not have it's own assigned bathroom, you will only be sharing the bath/shower room with one other room – see details below.

Each bath or shower room also has a toilet.

The prices are the same if you are on either a Deep Heart Retreat, or a Unity Retreat. See our Website <https://heartspring.co.uk> to see which house your particular retreat is based in.

Garden House - with stunning sea views from the Lounge and Dining Room
